Work Place Injury

Speed the return-to-work process with Advanced Physical Therapy Center. No more estimating! We can accurately test your patients. Evaluations and reconditioning programs are covered by most group and workman's compensation insurances.

- **Return-to-Work & Ergonomic Assessments**
- **Work Reconditioning Programs**
- **Disability Screenings**

Functional Capacity Evaluations

Our highly trained therapists can administer a comprehensive battery-of-performance-based test to determine your patients ability to work, or their ability to perform activities of daily living, and leisure activities.

- We fill out all the necessary paperwork, which saves you the hassle
- Our facility has simulated work environments for accurate testing

Work Reconditioning Program

Three to five times per week program designed to:

- Prepare the worker for the job ahead
- Strengthen their entire body, which enables the patient to return-to-work more quickly
